

# Booking and Managing Flights on a Website

1 Navigate to <http://localhost:4200>

2 Log in.

The screenshot shows a login page for a flight booking website. At the top center is a blue circular icon with a white airplane. Below the icon, the text "Please Sign in" is displayed in a bold, black font. Underneath this text are two input fields: the first is labeled "Username" and the second is labeled "Password". An orange circle is positioned over the right side of the "Username" field. Below the input fields is a blue button with the text "Sign in". Under the "Sign in" button, there is a line of text that reads "If you have never registered, sign up please" followed by a dark gray button with the text "Sign up". At the bottom left of the page, the copyright notice "© 2023" is visible.
